MSO 2020 is a qualifying year for NSGA Nationals. Qualifying events for the national senior games 2021 are in black letters. **Non-qualifying** events for the National Senior Games 2021 are in red.

Our MSO operates under the guidelines set by the National Senior Games Association (NSGA). The NSGA holds the National Senior Games semi-annually with over 10,000 senior competitors. We anticipate 800 senior athletes to participate in the events offered on the Mississippi Gulf Coast in March through May 2020.
